**VERIFIED SUPPLEMENTAL DIRECT TESTIMONY**  
**OF**  
**DENNIS C. DININGER**  
**ON BEHALF OF**  
**INDIANAPOLIS POWER & LIGHT COMPANY**  
**CAUSE NO. 44339**

**VERIFIED SUPPLEMENTAL DIRECT TESTIMONY OF DENNIS DININGER  
ON BEHALF OF  
INDIANAPOLIS POWER & LIGHT COMPANY**

1 **Q1. Please state your name, employer and business address.**

2 A1. My name is Dennis Dininger. I am employed by Indianapolis Power & Light Company  
3 ("IPL" or the "Company"), One Monument Circle, Indianapolis, Indiana, 46204.

4 **Q2. What is your position with IPL?**

5 A2. I am Director, Commercial Operations.

6 **Q3. Are you the same Dennis Dininger who previously submitted direct testimony in this**  
7 **Cause?**

8 A3. Yes.

9 **Q4. What is the purpose of your supplemental direct testimony in this proceeding?**

10 A4. In my direct testimony (at 7) I discussed how natural gas will be supplied to the Eagle  
11 Valley CCGT. I explained that IPL will conduct a competitive bidding process to solicit  
12 bids for gas transportation and supply services. I added (at 10) that IPL may decide to  
13 construct and operate the gas pipeline necessary to interconnect the Eagle Valley CCGT  
14 with the gas supplier if doing so is a more cost effective option than paying the supplier  
15 to construct and operate the facility. My supplemental testimony updates this part of my  
16 direct testimony.

17 **Q5. What is the status of the competitive bidding process for the solicitation of bids for**  
18 **gas transportation and supply services?**

1 A5. The Request for Proposals (“RFP”) for the natural gas lateral pipeline and transportation  
2 services was issued to five pipeline companies on August 6, 2013. IPL issued the RFP to  
3 Vectren, Citizens Energy Group (Citizens Gas), Energy Transfer (owner of Panhandle  
4 Eastern Pipeline Company, LP), Tallgrass Energy Partners, LP (managing owner of the  
5 Rockies Express Pipeline “REX”) and Boardwalk Pipeline Partners (owner of Texas Gas  
6 Transmission Pipeline). All five are expected to provide a proposal by the October 21,  
7 2013 due date. TransCanada (owner of ANR Pipeline Company) declined to bid.

8 **Q6. Does IPL still seek the Commission to issue to IPL a certificate of necessity for the**  
9 **transport of gas within Indiana?**

10 A6. No, not at this time. IPL is proceeding with the RFP and believes that there will be  
11 sufficient competitive responses to the RFP to provide the gas transportation service,  
12 including the construction of the gas lateral pipeline to the new Eagle Valley CCGT.  
13 With five capable and qualified pipeline companies expected to provide proposals, IPL is  
14 confident that it will secure competitive offers for provision of the gas lateral pipeline and  
15 gas transportation services.

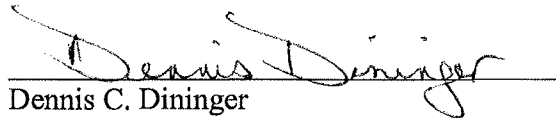

16 I wanted to update my direct testimony so that the Commission and the parties may be  
17 aware of the current status of the project. This update should streamline the matters  
18 under consideration in this Cause because it renders it unnecessary for the Commission to  
19 determine in this proceeding whether a certificate for the transport of natural gas within  
20 Indiana should be issued to IPL.

21 **Q7. Does this conclude your prefiled supplemental direct testimony?**

22 A7. Yes, it does.

**VERIFICATION**

I, Dennis C. Dininger, Director, Commercial Operations for Indianapolis Power & Light Company, affirm under penalties for perjury that the foregoing representations are true to the best of my knowledge, information, and belief.

  
Dennis C. Dininger

Dated: August 12, 2013
