

Stumpners' Building Services, Inc.

*Family Owned and Operated
Since 1983*

Stumpners' Building Services urges Governor Holcomb to **Veto SB 309** in order to foster the continued **growth of solar business and jobs** in Indiana.

Renewable energy businesses and customers need Governor Holcomb to stand on their behalf and halt efforts from Investor owned utilities to further their dominance of the Indiana energy market.

Stumpner's Building Services, Inc.

Est. 1983

- Energy Efficient Construction
- Solar Photovoltaic Systems
- Home Energy Audits and Weatherization
