CAUSE NO. 45245

You are hereby notified that on this date the Indiana Utility Regulatory Commission ("Commission") has caused the following entry to be made:

On July 2, 2019, the Indiana Office of Utility Consumer Counselor ("OUCC") filed a Motion to Dismiss, or, in the Alternative, Motion to Stay Proceeding ("Motion to Dismiss"). After reviewing the Motion to Dismiss, the Presiding Officers request that Indiana Michigan Power Company ("I&M" or "Petitioner") file with the Commission the following documents and information on or before July 12, 2019:

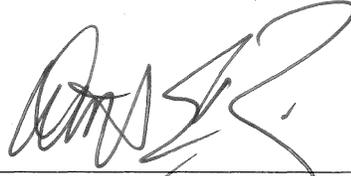

- 1) Provide a copy of the most recent draft agreement between I&M and Notre Dame ("Notre Dame Contract").
- 2) Provide a copy of the most recent draft of the Engineering, Procurement, and Construction contract ("EPC Contract").
- 3) For both the Notre Dame Contract and the EPC Contract, provide an update on the current status of the contract negotiations, including, but not limited to, when I&M anticipates each contract will be executed.
- 4) For both the Notre Dame Contract and the EPC Contract, identify the provisions that are still being negotiated.

The information requested may be included in Petitioner's response to the Motion to Dismiss, which is also due on July 12, 2019.

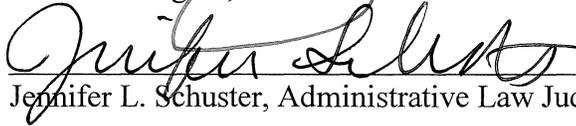

To the extent that Petitioner deems responsive information or documents to be subject to its June 12, 2019 Motion for Protection and Nondisclosure of Confidential and Proprietary

Information and the Presiding Officers' June 19, 2019 Docket Entry granting confidentiality on a preliminary basis, Petitioner shall so state in its written response and need not file a separate motion seeking confidentiality. For any such information, Petitioner shall file the Confidential Information with the Commission in accordance with GAO 2016-2, shall file a Notice of Filing under this Cause specifically referencing this Docket Entry and indicating that the Confidential Information has been filed with the Commission, and shall otherwise comply with the Presiding Officers' June 19, 2019 Docket Entry in filing such confidential information.

IT IS SO ORDERED.

David E. Ziegner, Commissioner

Jennifer L. Schuster, Administrative Law Judge
